Message From the Principal Desk

Dear Students, It is with immense pride and joy that I welcome you to Government Model Degree College, Diblong, a promising new institution of higher education established in 2023 under the Pradhan Mantri Uchchar Shiksha Abhiyan (PM-USHA). Situated in the serene hill district of Dima Hasao, Assam, our college stands as a beacon of hope and opportunity for quality higher education in the region. Its establishment marks a significant milestone in making higher education accessible to students in remote and underserved areas, thereby strengthening the state's educational infrastructure and fostering academic growth and empowerment. With the creation of 18 teaching posts across six core disciplines Assamese, English, Education, Economics, History, and Political Science the college commenced its first academic session in 2023-2024. While this journey has begun, we are currently awaiting the appointment of a permanent Principal, as well as non-teaching staff such as a Librarian and other office personnel, which we expect to be completed soon.

During its formative phase, the college faced certain infrastructural constraints. We remain deeply grateful to Maibang Degree College for generously hosting our academic activities during this period. Their support was instrumental in ensuring the uninterrupted continuation of classes and the smooth functioning of the institution. I am pleased to share that from the academic session 2026-27, the college has begun conducting classes in its own campus. This milestone marks a new chapter in our journey and reflects our steady progress and commitment to providing a conducive learning environment. As we move forward together, I encourage each of you to make the most of this opportunity, engage wholeheartedly in your studies, and contribute meaningfully to the legacy we are building. Together, we can shape a brighter future for our community and establish Government Model Degree College, Diblong as a center of excellence in Dima Hasao and beyond. Warm regards

Sujit Kumar Sinha
